**Single or Dual Pedestal Options**

Heavy-duty, high-strength steel construction with rolled edges and ribbed stress points for more strength than ever before

**Improved High-Demand Spring**

Long-life spring extends and retracts with constant force to reduce user fatigue

**Full-Flow Swivel**

Maximize material flow with minimal pressure drop

**Spring Adjustment**

Increase or decrease spring tension while reel is pressurized with fluid (XD models only)

**Larger Hose Capacity with Smaller Profile**

Compact pedestal and spool fits into tight spaces and can accommodate 35-65 foot (10-20 meters) hose capacity for a wide variety of applications

**Improved Latch Design**

No more frustrating lock-out at full hose extension

**Durable Finish in More Colors**

Baked-on enamel finish protects reel from corrosion for longer life—now available in six colors
